

Attention Farm Trail Passport Participants Fun At The Winery!

**October
10th & 11th
10 a.m. to 5 p.m.**

For the first time, we are opening our winery for Passporters all weekend long. Come experience organic winemaking in action, harvesting, fermenting, and juice samples. Beautiful scenic tour and, of course, full sampling of our awarding-winning organic wines that contain no sulfites.

DIRECTIONS TO THE WINERY

Take Hwy 32 to Forest Ranch; go past the town. At about mile 13 from Chico, turn right onto Schott Road, go left around the church. Stay on single lane paved road, wind down, cross bridge and then go back up. Pavement ends and the road turns to gravel. At the fork **STAY RIGHT**, go about 3/4 mile. Vineyard is on the left. Second gate goes to winery. Signs will be posted to help you find your way.
